SOUTH CAROLINA

DOCKET NO. 95-628-E - ORDER NO. 97-212

MARCH 17, 1997

IN RE: Application of Cherokee County)
Cogeneration Corporation for a) ORDER
Certificate of Environmental) APPROVING
Compatibility and Public Convenience) NAME CHANGE
and Necessity for Construction of a)
Major Utility Facility.)

This matter comes before the Public Service Commission of South Carolina (the "Commission") on the request of Cherokee County Cogeneration Corporation for approval of a name change.

By Order No. 95-1198, dated June 22, 1995, and pursuant to an Application which established the instant Docket, the Commission granted a Certificate of Environmental Compatibility and Public Convenience and Necessity to Cherokee County Cogeneration Corporation. By letter dated March 7, 1997, counsel for Cherokee County Cogeneration Corporation requested that the Commission approve the following name change of the applicant and holder of the certificate issued by Order No. 95-1198:

FROM: Cherokee County Cogeneration Corporation

TO: Cherokee County Cogeneration Partners, L.P.

In support of the request for a name change, counsel states that Cherokee County Cogeneration Partners, L.P. is technically the owner and will be responsible for the operation of the project for

which the certificate was issued. Cherokee County Cogeneration Corporation is the general partner and is only a one-percent (1%) owner of Cherokee County Cogeneration Partners, L.P. Counsel states that the change of name clarifies the responsibility for the project and the relationship between the Cherokee County Cogeneration Partners, L.P. and Cherokee County Cogeneration Corporation.

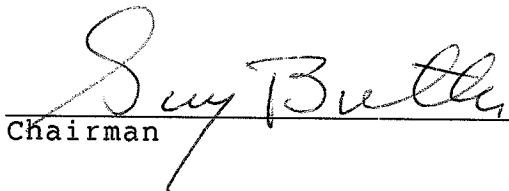

Upon consideration of this request, the Commission finds and concludes that the requested name change should be approved.

IT IS THEREFORE ORDERED THAT:

1. The requested name change from Cherokee County Cogeneration Corporation to Cherokee County Cogeneration Partners, L.P. is approved, and Cherokee County Cogeneration Partners, L.P. shall be the holder of the Certificate of Environmental Compatibility and Public Convenience and Necessity issued by Order No. 95-1198 (dated June 22, 1995).

2. This Order shall remain in full force and effect until further Order of the Commission.
